V. NEW BUSINESS

A. Timeline Overview of Finance & Budget Committee and Expectations for the year

i. Vice Chair Opportunity

Chair, Wasim Hamdani, introduced the opportunity for a committee member to serve as Vice Chair. This officer is to lead/direct the committee in the absence of the Chair. If interested, please contact Wasim Hamdani via email at asivpfinance@csus.edu by Fri. September 20th and state why you would be the best fit for this position. We will announce the Vice Chair next meeting. If more than one candidate is interested, the members will vote anonymously.

ii. ASI Department Presentations

For this semester, all six ASI Departments will have the opportunity to present to the committee. The departments – Student Engagement & Outreach, Business & Administration, Government, Peak Adventures, Children’s Center, and Aquatic Center – will introduce the services they offer the Sac State students and community. These presentations will be helpful for next semester when we begin reviewing their FY 25/26 budget.

iii. Student Employment Grant Process Overview

ASI Student Employment Grant is a support program for various departments at Sac State. The funds are allocated between the three major campus divisions, which is further determined by the number of programs within each division. The FY 25/26 application will open in December.

Various departments rely on these funds to employ students all across campus and we must continue encouraging the divisions to apply.
