

**ASI FINANCE & BUDGET COMMITTEE
SEPTEMBER 20, 2022
3:00 PM
CANYON ROOM**

APPROVED 10/4/2022

I. CALL TO ORDER-3:00 PM

II. ROLL CALL-SEE ATTACHED.

III. INTRODUCTIONS

All attendees introduced themselves and shared their name, major and year at Sac State.

IV. PUBLIC COMMENT—None

V. NEW BUSINESS

a. Timeline Overview of Finance & Budget Committee and Expectations for the year

i. Vice Chair opportunity

1. An appointed committee member may serve as the vice chair of the Finance & Budget committee. Please reach out to Dhruvisha via her email if you're interested and why you'd like to serve.

ii. ASI Department presentations

1. All six (6) departments will present to the Finance & Budget committee in the fall semester. Next meeting we'll hear from the Government and overview of the budget process. Then we'll hear from Business & Administration, Student Engagement & Outreach, Children's Center, Peak Adventures and the Aquatic Center. Gina Curry shared about each of the six departments, where they are located and what programs each department supports.

iii. Student Employment Application Process

1. This is a grant to campus programs and services who are looking for support for student employment. The decision is based on viewpoint neutrality so that we treat each program on a level playing field. The Conflict of Interest form needs to be completed by each voting member stating any conflict of interest. There is a fiduciary responsibility to the committee and ASI organization. This would be financial benefit to you personally such as a student assistant position.

b. Review of Student Employment Application Process

- i. Campus Collaboration with ASI as part of Student Employment Application
All recipients of the Student Employment grant are required to discuss as part of their final year end of report were required to support ASI in at least three ways but must include promoting ASI Elections.

If they did not turn in the final report you can decide as a committee if you want to allow the program to apply are there any other special requirements and should they receive the same amount as other applicants. The committee will have access to the Final Reports to review.

- ii. Review of the 2021-2022 Student Employment Grant application
Take an opportunity to review so you can give feedback to the committee at the next meeting.
