- I. Call to Order- 2:00**
- II. Introductions-** New Introductions weren't necessary since we didn't have new members attend the meeting.
- III. Discuss Plans for Earth Day-** We decided that having an ASI table would allow our visibility as a committee and ASI to be showcased for a longer period, due to our availability. Having a table at the event would allow Green Team to be showcased as a committee to students, along with other ASI committees.
- IV. Discuss Future Plans for Campus Sustainability Initiatives-** We will reach out to the ASI EVP to discuss a potential day when ASI can have a clean-up on campus, where ASI members can bond as a team and clean up our campus! We also discussed a potential collaboration with the sustainability office to have a planting day at the Garden, and plant flowers for bees!
- V. Adjournment 2:20 PM**
