III. Approval of Minutes 2.22.21. Approved.

IV. Icebreaker- What event in your life made you want to get involved with sustainability?

The committee took turns discussing impactful moments that led them to a journey in sustainability, events included seeing trash everywhere, the Leave No Trace Behind campaign, seeing the widespread effects of wildfires, and coming to college where they learned more about sustainability.

V. Information Item

a. Upcoming Student Social Justice and Equity Event. ASI Education Director Danielle Cochrane

ASI Education Director Danielle Cochrane spoke on the event she will be putting on that will take place on April 19th from 3-4:30 PM. She is still looking for speakers on this panel. Kathryn informed the committee that a speaker from Green Team would be one of the ASI members or herself. The goal of the event is to educate those in attendance and give a platform to the public to speak up on these issues. Speakers will mainly be within the Sac State Community. For more information contact asiedudirector@csus.edu.
