IV. Discussion Items

A. Green Certificate Program- Alejandro Buenrostro

See attached presentation for Buenrostro's presentation.

Committee gave feedback and voice general support for this program. Questions were asked about the beginning date of this program. Buenrostro answered that hopefully it will begin by the end of the semester with applications for the next school year. Kristen stated that this program is similar to one she created at San Jose State University. Also mentioned to look at the Green Pledge created by Humboldt State University.

B. Earth Day

Committee discussed Earth Day ideas. Some ideas included a speaker panel available on Zoom for students to attend and ask questions.

Kristen from Sustainability discussed the art show that Sustainability will be holding later this semester. Also mentioned the idea of learning modules, which Green Team members supported and emphasized interest in modules on behavior and habits.

V. Announcements

Franky, President of ESO announced movie night that is to be held later this semester.

Kristen from Sustainability announced the Second Nature Climate Action Pursuit and announced that there are 3 spaces reserved for Green Team members to take part in these events.

Kathryn announced that ASI elections are coming up and gave out Election information to the committee.
