

ASI Children's Center Parent Advisory Council (PAC) Minutes

MEETING DATE: March 15, 2021 12 p.m.

MEETING LOCATION: Via Zoom

MEMBERS PRESENT: Sandra Gallardo, Sherry Velte, , Mariah Dong, Danielle Cochrane, Haley Dillon Myers, Brook Murray, Courtney Patton, Bena Arao, Lexi Hallum (Recorder)

VISITORS:

A. Call Meeting to Order

1. The meeting was called to order by Courtney Patton at 12:04 pm.

B. Review of February Minutes

1. The February Minutes were unanimously approved by the PAC members present.

C. Current Center Updates

1. Enrollment is holding steady

- After the enrollment of two new Bambini children, enrollment is now paused
- Most of Bambini 3's children have turned two, but cannot move up in classroom due to impact

2. Phase 1 of the Center's Building upgrades started

- Both teachers and office staff have given updates to families regarding renovations and their child's classroom(s) being moved
- Children are temporarily relocated in phases
- Renovations will be taking place on the weekends as well

3. Parent Survey Results Completed (handout)

- Sherry Velte referred to a handout of Parent Survey results

4. General Updates sent to Families (handout)

- Sherry Velte referred to a handout of Center Updates that was emailed to all families
- Vaccines are now available at Sac State; the Center staff can make appointments as they are in the category of child care; other applicable categories include health, law enforcement, individuals over 65 years of age

5. 2021 is ASI's 65th Anniversary

- The Center is working with other ASI departments to deliver a year-long celebration of ASI's 65th Anniversary. Items will include; a virtual timeline, before and after photos, alumni connection opportunities, and other events

6. 2022 is the Center's 50th Anniversary

- The Center will celebrate its 50th anniversary in 2022; many items from the 65th anniversary can carry over

D. Open Discussion

1. There have been no COVID exposures in the Center up to now
 2. There have been no positive COVID test results from the surveillance tests
 3. All employees have been offered the vaccine with many having completed their 2nd dose
-
