I. CALL TO ORDER

Meeting called to order at 3:02 pm

II. SURVEY PLANNING FINALIZATION

- Discussed what was done last semester, questions were made on housing and general demographics.
- It was agreed upon that to meet the 5-minute mark for survey time and with too many categories to cover, questions were limited to 3 or 4 questions max per category.
- Revised questions that were made last semester.
- Commented on questions that may have seemed redundant and too personal.
- From housing category, two questions regarding rent/mortgage and if you have an unstable sleep schedule were removed.
- It was agreed to have short and simple questions due to the attention span of students when it comes to surveys.
- Questions regarding food insecurity and transportation were created (2 questions each) questions are created along the lines of simple yes or no questions.
- 1 question is are you aware of the resources available to students regarding (the specific category) is used for every category.
- With regards to transportation questions, the end objective was to create a system for students living near campus to carpool together so that it would help save money for students under financial burdens as discussed last semester.
- 1 question was created for campus safety but the topic regarding how to address students about the resources offered will be addressed in the next meeting.
- 3 questions were created for diversity, equity, and inclusion but the questions will be edited and revised in the next meeting.

III. ANNOUNCEMENTS

A public health professor who teaches about surveys will be coming to help edit and revise the survey created.
