ASI Structure

Associated Students, Inc., Board of Directors serves as the official governing body of Sacramento State students. It is comprised of 15 elected student positions, with 5 Executive Officers, and 10 College Directors. The Executive Officers include President, Executive Vice President, Vice President of Finance, Vice President of University Affairs, and Vice President of Academic Affairs. The College Directors consist of a director from each of the 9 colleges, with one director to represent undeclared (renamed Discovery Pathways) students, and one director to represent graduate students, and one director to represent the Black Honors College (BHC). Each position is elected during the spring election cycle in April. The Board meets weekly on Wednesdays to discuss issues facing the student body, and highly encourages participation by the greater student community.
